

How to Package a Sandwich

PLEATPAK™ PACKAGING PROCEDURES - RIGHT-HANDED

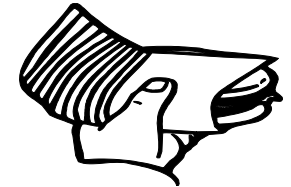

1. Open the package printed side down. Pleated section at the left.

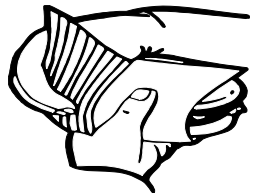

2. Place or build sandwich on top 1/3 of flat paper. Above target line.

3. Fold flat paper over bread crown.

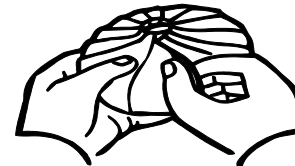

4. Gently pick up sandwich holding flat part with left hand.

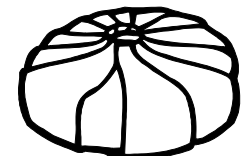

5. Using right hand, thumb in and fingers out, pull/unfold pleats closest to where the pleats begin around the sandwich.

6. Continue to unfold the pleats around the sandwich keeping thumb as close to the sandwich as possible.

7. When most of the pleats are unfolded around the sandwich, change hand position to continue to unpleat.

8. Sandwich is ready for presentation.
